Keep it on ice, I'd rather [call]

I can't [ignore ...]

Frozen love is [on the line]

My heart is cold but my head's [...]

Aah-aa-aah, don't know what it's like

Don't know what it's like

Aah-aa-aah, keeping it on ice

Keeping it on ice

Oh, take it to [the point] and it will crack

And you say you won't take me back

[...] you know I like the sound

'Cos then I know that you're still around

Aah-aa-aah, don't know what it's like

Don't know what it's like

Aah-aa-aah, keeping it on ice

Keeping it on ice

[...] through this frozen [...]

A [boy] in the bush is worth two in the head

If you crack in my frozen [...]

[To think that] on a long distance line

Aah-aa-aah, don't know what it's like

Don't know what it's like

Aah-aa-aah, keeping it on ice

Keeping it on ice
