Louder  
Louder  
When you're stuck like glue  
Vaseline  
When you need some goo-ah  
When you're stuck like glue  
Vaseline  
When you're black and blue  
Vaseline!  
La-la-la-la  
La-la-la  
La-la-la  
When you're stuck like glue  
Give me some!

When you're stuck like glue  
If you'd like to woo  
Vaseline!  
La-la-la-la  
La-la-la  
La-la-la  
If it's hard like you  
Give me some!  
Do you need a clue?  
I want some!  
Vaseline vaseline  
Vaseline vaseline  
Vaseline vaseline
