The sea is swells like a sore head  
and the night it is aching  
Two lovers lie with no sheets on their bed  
and the day it is breaking

On rainy days we'd go swimming out  
on rainy days, swimming in the sound  
On rainy days we'd go swimming out

You're in my mind all of the time  
I know that's not enough  
if the sky can crack  
there must be some way back  
for love and only love

Car alarm and back to sleep  
you kept awake dreaming some else's dream  
coffee is cold, but it will get you through  
compromise, there's nothing new to you  
let's see colours that have never been seen  
let's go to places no one else has been

You're in my mind all of the time  
I know that's not enough  
if the sky can crack  
there must be some way back  
to love and only love

Electrical Storm  
Electrical Storm  
Electrical Storm  
Baby don't cry

It's hot as hell, honey in this room  
sure hope the weather will break soon  
the air is heavy, heavy as a truck  
hope the rain will wash away our bad luck

heeeey... heeeey.....

Well if the sky can crack, there must be some way back

for love and only love

Electrical Storm

Electrical Storm

Electrical Storm

Baby don't cry

Baby don't cry

Baby don't cry
