Were you crushed
Did I rush you
All my time is yours
My twisted heart is yours
The faithless shit is yours
The shameless fits of love that only smother you for
moments
Until I fold them up and leave
All yours

(chorus)
Oh you had to ask didn't you (x2)
Oh you had to know

Show your scars
Not to rush you
The hieroglyphic hints in all the toilet scrawl
Guilty little pins
And all the things I never talk about
Are spilling with the gin
Test how tough you are
All yours

(chorus)

Not to rush you
