Were you crushed?  
Did I rush you?

All my time is yours my twisted heart is yours  
The faithless shit is yours, the shameless fits of love  
That only smother you for moments  
'Til I fold them up and leave, all yours

Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know

Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know

Show your scars  
Not to rush you

The hieroglyphic hints in all the toilet scrawl  
Guilty little pins in all the things I never talk about  
Are spilling with the gin  
Taste how tough you are, all yours

Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know

Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know

Not to rush you
