Can't stop thinking
I won't stop drinking
I need that comfort
I don't need discipline
Twilights tailing

I had self belief
They don't compromise
This has battered me
That's my history

Hold this shaking frame
Pull this back together

What's your story?
I want to listen
I can't fake pity
I may not sympathize
Twilights tailing

Try my lies for size
You might swallow them
While I fantasize
Try my lies for size

Hold this shaking frame
Pull this back together
