Lost in a lullaby  
Side of the road  
Melt in a memory  
Slide in a solitude  
Not till I can read by the moon  
Am I goin' anywhere?  
Not till I can read by the moon

I blow you a kiss  
It should reach you tomorrow  
As it flies from the other side of the world  
From my room in my fugitive motel  
Somewhere in the dust bowl  
Yet it flies from the other side of the world

"I'm tired", I said  
"You always look tired", she said  
"I'm admired", I said  
"You always look tired", she said  
Not till I can read by the moon  
I'm not going anywhere  
Not till I can read by the moon

I blow you a kiss  
It should reach you tomorrow  
Reach you tomorrow  
It flies from the other side of the world  
From my room in my fugitive motel  
Somewhere in the dust bowl  
Somewhere in the dust bowl  
It flies from the other side of the world

The curtains stay closed  
Everyone knows  
You hear through the walls in this place  
Cigarette holes for every lost soul  
To give up the ghost in this place  
Give me strength, give me wings  
Give me strength, give me wings

I blow you a kiss  
It should reach you tomorrow

Reach you tomorrow  
It flies from the other side of the world  
From my room in my fugitive motel  
Somewhere in the dust bowl  
Somewhere in the dust bowl  
It flies from the other side of the world  
The other side of the world  
The other side of the world  
(Other side of the world)
