"The Good Day"

Visit ["The Good Day"](#) on MotoLyrics.com

Did you feel did you feel a little brighter today
Come along now you've come along way
Ooh a good day could keep you sparkling awhile
And I'd lose the use of my legs just to see you smile

Oh a good day
Is what we have here

Oh a good day
Is what we have here

Did you feel did you feel a little brighter today
Come along now you've come along way
Ooh a good day could keep you sparkling awhile
And I'd lose the use of my legs just to see you smile

Oh a good day
Is what we have here

A good day
One good day
Is what we have here
