Memories of yesterday
Can't think about it ...nothing but you
Never gonna fade away...
Even if you dissapear from view...

Sweet distraction...you're always on my mind
Sweet distraction...same feeling every time
Clear intention...just wanna make you mine
Sweet distraction...same feling every time

Lazy summer days...wash away
Under the spell of soft summer rain
Lazy summer days...wash away
Under the spell of soft summer rain
We are all same

Memories of yesterday
Daydreamin' all when i held you close
Doesn't matter what you say
You were the one i wanted close

Sweet distraction...you're always on my mind

Sweet distraction...same feeling every time
Clear intention...just wanna make you mine
Sweet distraction...same feling every time

Lazy summer days...wash away
Under the spell of soft summer rain
Lazy summer days...wash away
Under the spell of soft summer rain
And we are all same

Memories of yesterady...
Can't thing about it
Nothing but you

Lazy summer days...x2

Lazy summer days...wash away
Under the spell of soft summer rain
Lazy summer days...wash away

Under the spell of soft summer rain
And we are all same
