[Chorus 1:]

(The devil don't like it, 'cause I'm) blessed like that.  
(The devil don't like it, 'cause I'm) blessed like that.  
(The devil don't like it, 'cause I'm) blessed like that,  
Blessed like that, blessed like that.

(The devil don't like it, 'cause I'm) blessed like that.  
(The devil don't like it, 'cause I'm) blessed like that.  
(The devil don't like it, 'cause I'm) blessed like that,  
Blessed like that, blessed like that.

[Verse 1:]

Growing up in this world, it started out a long time ago,  
Mama and them used to pray while we was gathered  
around the wooden floor.  
She grabbed us one by one, I heard her praying 'til the  
prayer was done,  
Mama would dance while clapping her hands,  
Knowing that victory was won, that's why I say...

[Chorus 1]

[Verse 2:]

I've grown little older now, seems like folks a little  
colder now,  
So much trouble in these last days, but the devil can't  
steal my praise.  
I'm covered from head to toe and the devil don't know  
where to go,  
God's blessing that's a fact, He's got my front,  
He's got my back, and I'm blessed like that.

[Chorus 2:]

(The devil don't like it, no, no), blessed like that.  
(The devil don't like it, no, no), blessed like that.  
(The devil don't like it, no), blessed like that,  
Blessed like that, blessed like that.

(The devil don't like it, no), blessed like that.  
(The devil don't like it, no), blessed like that.  
(The devil don't like it, no), blessed like that.

[Vamp 1:]

Like that, blessed like that.

Like that, blessed like that.

Like that, blessed like that.

Like that, blessed like that.

[Vamp 2:]

Blessed like that,

Blessed like that.

[Vamp 1]
