Woke up this morning dizzy,
My head feels like the soul of someone's shoe.
Don't know where I am or how I got here,
I only know I cannot leave without you.

You came to save me,
Walked in my life and saved me,
Brought me the light and saved me,
Arghhh!

My life has lost it's direction,
My soul is lost in my reflection,
You abused me with your honesty,
And showed me that my life was slipping away from
me,

You came to save me,
Walked in my life and saved me,
Brought me the light and saved me,
Arghhh!

I'll wake up tomorrow dizzy,
My head will feel like the soul of someone's shoe,
I won't know where I am or how I got there
I only know I cannot live without you

You came to save me,
Walked in my life and saved me,
Brought me the light and saved me,
Arghhh!

You came to save me,
Walked in my life and saved me,
Brought me the light and saved me,
Arghhh!
