Make it out, is your life a real thrill?
find out things that always make you sick
screaming out frustrations kept inside
... do it now! Do it now! Do it now!
breaking out of oppressive...
Jails, clouding keen minds
instincts restrained by invisible...
CHORUS
Chains: express your own personality!
Make it out, did you decide your destiny?
pointing out mistakes you made on your way
bringing out the best you got inside yourself
...do it now! Do it now! Do it now!
breaking out of oppressive...
Jails, blinding hungry eyes
instincts restrained by invisible...
CHORUS
Chains: express your own personality!
CHORUS
Chains, Chains, Chains, ouch!
PER-SO-NA-LI-TY!!
