If life is good to me I think I could turn back
Fate has been odd to me putting tons all over my back
Too many times Iâ€™ve said: "I guess itâ€™s time to go"
But when you came to me I felt a heat in my soul

Iâ€™ve found a reason
As time goes by
Iâ€™ve found my season... to live

There ainâ€™t no time for me to get away from this trap
Iâ€™ve tried so hard to see if you could show the fuckinâ€™
track
Too many times Iâ€™ve said: "Why am I still here?"
But as you came to me the situation is clear

Iâ€™ve found a reason
As time goes by
Iâ€™ve found my season... to live

AND WHEN Iâ€™LL COME TO LIFE
Iâ€™LL SEE THE LIGHT INTO YOUR EYES
AND WHEN Iâ€™LL TURN BACK TIME
Iâ€™LL TRY TO CHANGE THE ROAD OF LIFE
