Hope I'll make it 'till the end of the day
And my mind won't break until I finish to say:
No money in my pockets, no mercy in my soul,
there's only one damn thing before I'll let you go

I know that everything you said, confused my mind and
killed me

SAVE ME, TAKE ME AWAY
ONLY YOUR HANDS COULD CURE ME
SAVE ME, TAKE ME AWAY
ONLY YOUR WORDS COULD HEAL ME

Too hard for me now for crossing the line
But I won't give up until you're all mine
I'm too complicated, don't know if you'll resist
My life's underrated, my soul still don't exist!

I know that everything you said, confused my mind and
killed me

SAVE ME, TAKE ME AWAY
ONLY YOUR HANDS COULD CURE ME
SAVE ME, TAKE ME AWAY
ONLY YOUR WORDS COULD HEAL ME
