So long ago, when the world was young  
The air was so fresh and breathable  
Skies were neat and the seas still blue  
I know it might seem unbelievable  
We're burning the oxygen out here  
Killing ourselves and our future but we ain't got no

FEAR OF TODAY, FEAR OF TOMORROW  
LETTING GAIA BURN 'TILL IT'S OVER  
NOTHING LEFT TO SAY, TOO MUCH TO DO  
LET'S ROLL OUR SLEEVES AND LET GAIA LIVE

Hidden secrets from the men who count  
Telling us only pieces of the truth  
What do we need to realize?  
We've been told about things that are more than lies  
Moving the puppets as they want  
Killing themselves and their future but they ain't got  
no

FEAR OF TODAY, FEAR OF TOMORROW  
LETTING GAIA BURN 'TILL IT'S OVER  
NOTHING LEFT TO SAY, TOO MUCH TO DO  
LET'S ROLL OUR SLEEVES AND LET GAIA LIVE

[Solos: Eugene/Rudj - Eugene - John]

We still have time, to shake a leg  
And give our children a clean playground  
Each helping hand is welcome and  
Let's give our planet a second chance  
Move your minds against the tide  
Against all those closed-minded who really have no

FEAR OF TODAY, FEAR OF TOMORROW  
LETTING GAIA BURN 'TILL IT'S OVER  
NOTHING LEFT TO SAY, TOO MUCH TO DO  
LET'S ROLL OUR SLEEVES AND LET GAIA LIVE  
FEAR OF TODAY, FEAR OF TOMORROW  
LETTING GAIA BURN 'TILL IT'S OVER  
NOTHING LEFT TO SAY, TOO MUCH TO DO

LET'S ROLL OUR SLEEVES AND LET GAIA LIVE  
WHAT ARE YOU WAITING FOR??? TO LET GAIA LIVE
