Just a little more, a little more of this game
A little empty space and
Why should I ignore, should I waste my time a little
more?
Stay another more, another more by my side , Iâ've
gotta tell you a story
Hey, what did I say, what did I do tonight, where are
you heading for now?

YOUÂ'RE ALL OF MY LIFE
THATÂ'S PASSING BY
GOING AGAINST MY WILL IÂ'M STANDING STILL
YOUÂ'RE RIGHT IN MY WAY
PLEASE LET ME PLAY

Dance another more, another more for me
I wanna see your veils off
Breathe another more, I wanna feel your heat,
YouÂ've gotta melt the dance floor

YOUÂ'RE ALL OF MY LIFE
THATÂ'S PASSING BY
GOING AGAINST MY WILL IÂ'M STANDING STILL
YOUÂ'RE RIGHT IN MY WAY
PLEASE LET ME PLAY...
IÂ'VE SPENT MY LIFE LIKE A STEPPING STONE NOW,
LIKE A PEBBLE, LIKE AN OLD GUM, LIKE AN OLD SHOE
UNDER YOUR FEET
