The days are passing
The days are passing by
The time is healing the wounds Iâ€™ve got deep in my
mind
My friends are helping
My friends are helping me
There ainâ€™t no sense of living without music in my life

I want to follow the rhythm and try to search for my
freedom

IT STARTED FOR A GOOD REASON
IT STARTED FROM A LONG TIME AGO
IT STARTED FOR A GOOD REASON
AND Iâ€™M STILL SCREAMING

Iâ€™ve got the passion
Iâ€™ve got the passion in me
Iâ€™ve got the chance to spread my inner feelings to the
world
This is my mission
This is a mission for me
I want to demonstrate how screaming has fulfilled my
life

I want to follow the rhythm and try to search for my
freedom

IT STARTED FOR A GOOD REASON
IT STARTED FROM A LONG TIME AGO
IT STARTED FOR A GOOD REASON
AND Iâ€™M STILL SCREAMING
