As twilight died  
Blazing throught a mountain wood  
I ran away by faith in a burning flame in vain!  
When you think you know the way  
To reach the place without a name  
You just can't wait

Scared, in despair  
A girl appeared in white clothes  
And lighting up a trail up the slope (said:)  
„Try and fly to the sky"  
a house stood high  
Ten floors to climb  
I think I saw a million traces there  
And I went up the stairs  
No one anywhere  
Only empty chairs...

But a lady in bed  
Once she said  
„ If when I'm dead I stay alive  
I'll kiss your ahnd like a butterfly"  
I saw her lying in bed  
As pale as death  
To an end had come her life  
I felt her soul was still inside

Scared, in despair  
A girl appeared in white clothes  
And lighting up a trail up the slope (said:)  
„Try and fly to the sky"  
a house stood high

Ten floors to climb  
I think I saw a million traces there  
And I went up the stairs  
No one anywhere  
Only empty chairs...

But a lady in bed  
Once she said  
„ If when I'm dead I stay alive

I'll kiss your ahnd like a butterfly"  
I saw her lying in bed  
As pale as death  
To an end had come her life  
I felt her soul was still inside  
I saw a lady in bed  
Once she said  
„ If when I'm dead I stay alive  
I'll kiss your ahnd like a butterfly"

I found her lying in bed  
As pale as death  
To an end had come her life  
I felt she kept her soul inside
