Now Iâ'll take you by the hand  
When Iâ'm with you I feel a man  
But after all Iâ'm still a wounded lamb  
Got to leave the past behind  
Got to give a sense to this life  
Doesn't matter how the story ends  
Now tell me how to rid my mistakes...

AND WHEN THE RAIN COMES POURING  
AFTER THE PAIN THAT'S GROWING  
AND WHEN MY HEART STARTS BLEEDING  
YOU CAME TO WASH MY SINS AWAY

Living each day like if it's my last  
Trying to climb the hill again  
No regrets for what belongs to the past  
Everything was written down  
All our steps are numbered now  
We are moving just like marionettes  
Now tell me how to rid my mistakes...

AND WHEN THE RAIN COMES POURING  
AFTER THE PAIN THAT'S GROWING  
AND WHEN MY HEART STARTS BLEEDING  
YOU CAME TO WASH MY SINS AWAY
