I believe in fairytales
Making dreams come true
Like some falling starlight in the dark, night

I believe there's someone there
Guiding me and you
So we can always let our hearts decide

He, makes me fall in love
Smiling from above
When he finds I've lost myself in feelings

He, takes my breath away
Makes me hope and pray
That I'll be free

He, always stands by me
Every night and day
Forever he'll be
He

I'll believe in miracles
Heaven in my soul
And I know I'll never walk alone
So

I believe that evil will
Never take control
Well he will leave us on our own

He, makes me fall in love
Smiling from above
When he finds I've lost myself in feelings

He, takes my breath away
Makes me hope and pray
That I'll be free

He, always stands by me
Every night and day
Forever he'll be
He

All my life is in his hands eternally
I know his kindness never ends
Cause I can see

His love's forever
So whatever will be
He'll stand by me

He, makes me fall in love
Smiling from above
When he finds I've lost myself in feelings

He, always stands by me
Every night and day
Forever he'll be
He
