I read you cover to cover
I read you back to front.
I read you chapter after chapter
And now I'm coming back for more-ore-ore-ore.

I want yopu to join my book club
Give you a library card.

You're like a Stephen King novel
Everything obviously black.
I read the ending before I read the introduction
But I'm still coming back now for more-ore-ore-ore.

I want you to join my book club
Give you a library card.
I'd love you to join my book club
It couldn't do any harm.

Yeah-eah!

I'm coming back now for more x6
I'm coming - yeah-eah!

Love you to join my book club
It couldn't do any harm.

I'm coming back now for more x9 or 10
