Is freedom what I need?
Locked in captivity.
I'm tired of being trapped, I'm tired of being alone.
My home is calling me, yeah.

But I won't, I won't go, till everybody knows
That I won't, I won't go, I won't go...

Is freedom what I need?
I'm voiceless in my plea.
You don't even speak my language, I'm deaf to your
words.
So will you stand for me? Yeah!

But I won't, I won't go, till everybody knows
That I won't, I won't go, till everybody knows
I wo-o-on't, I won't go, till everybody knows
That I won't, I won't go, I won't go-o!

But I won't, I won't go, till everybody knows
That I won't, I won't go, I won't go... Ha!

Yeah... yeah!
Freedom!
Freedom!
Freedom!
Freedom!
