Het you're persistent
I'll lock my cage.
What's that? You love me?
Tell me again. Ah.
Come reside in my nest
You're in need of a rest.
I will sing you to sleep
With tales of what could have been
Just a trick of the light
And a soft bag of dice
Gets them every time
You can nip, I am high.
Come reside in my nest
You're in need of a rest.
I will sing you to sleep
With tales of what could have been
Just a trick of the light
And a soft bag of dice
Gets them every time
You can nip

I am Jealousy (ooh ooh ooh)
You and me (ooh ooh ooh)
You'll retain me on.

Het you're persistent
I'll lock my cage.
What's that? You need me?
Tell me again. Ah.
Drinkin' all on your own
With a brick of a phone
Looking back at your life
And the lack of a wife.
Sixty-six never came
It's the bitter spell
But for years it's the same
Wish you came from Brazil.
You're a slob of a man
Not a-cheating in life.
Look at Dr Peacock
And his excellent wife.
You're a jack of all praise

You're a master of none
You're a joke, you're a slave, you're my son.

I am Jealousy (ooh ooh ooh)
You and me (ooh ooh ooh)
You'll retain me on.

Come to work with Daddy! x13

Jealousy (ooh ooh ooh)
You and me (ooh ooh ooh)
You'll retain me on.
Jealousy (ooh ooh ooh)
You and me (ooh ooh ooh)
You'll retain me on.

Come to work with Daddy!
