Tryin' to capture the magic.
Are we moving too fast?
I think I'm seeing angels
In my photographs
But what does that mean?
In a world that cannot see beyond the tabloid fodder,
cannon fodder. Is that all I am to You?

Scratch below the surface
And find another world.
In trying to be more human
My deeper hopes unfurled
But what does that mean?
Can reality be seen?
He moves to re-enchant us? Investigate us.
Something's happening. Something new.
