So many hearts
I chase them all away
Cause I've been too high
So let me down and take away the pain
Then leave me to die
Strawberry Sunrise
I'm losing my way (I'm losing my way)
It's calling me to die
Oh I...
Don't know why
I fade it all away
I fade it all away
So many hearts
Are trying to make me stay
But I'm into minds
I find it hard
To face another day
So easy to die
Strawberry Sunrise
I'm losing my way
It's calling me to die
Oh I...
Don't know why
I fade it all away
I fade it all away
Over and over
I see you
That's all I do
I fade it all away
(I fade it all away) repeat x6
