Hey you, I'm speaking to you
In your crisp white suit.
Are you really what you say you are?
Hey you, it seems to appear
That you're so in control
When I'm changing my mind hour by hour.

While I'm down here you're up there
And we're juxtaposed;
We're making sense of our lives, I suppose.
But I'm watching to see, I'm eager to ask
Spotting sponsorship deals as the credits fly past.

Hey you, are you the ones who run the show
Or am I a prize fool? Am I a prize fool!
Hy you, I know what you think you're doing
But I only believe in one God and he's not you.

While I'm down here you're up there
And we're juxtaposed;
We're making sense of our lives, I suppose.
But I'm watching to see, I'm eager to ask
Spotting sponsorship deals as the credits fly past.

(Knock 'em down pick 'em up) Oah-oah woah.
Knock 'em back down pick 'em back up.

Hey you, I'm speaking to you
In your crisp white suit.
Are you really what you say you are?
Hey you, it seems to appear
That you're so in control
When I'm changing my mind hour by hour.

While I'm down here you're up there
And we're juxtaposed;
We're making sense of our lives, I suppose.
But I'm watching to see, I'm eager to ask
Spotting sponsorship deals as the credits fly past.

Hey you x4 or 5
