Lose my head to the chemical freeway
Comin' up on overload in a mystic new dimension
Purify and sanctify me
What, so I'm in no end game

Move my piece right off the board
Losing sure is easy so I am no more

But I'm not broken, in my dream I win
In here I'm nothing, a cosmic castaway

In my head I'm a chemical dreamer
Speed up to burn out mode
Comin' up in the 5th dimension
Beautify don't crucify me, yeah

So I need no mind game poisoning my lonely soul
Losing sure is easy so I am no more

But I'm not broken, in my dream I win
And I take over 'coz I'm no loser
And I'm in and you're not, bad dreams don't stop
But I'm all screwed up, a cosmic castaway, yeah
A cosmic castaway, yeah, a cosmic castaway

And I want but have not, bad dreams, lust thoughts
In here with no pain, you hurt me again
And I want but have none, I should beat the alien

But here I'm no one, a cosmic castaway, yeah
A cosmic castaway, yeah, a cosmic castaway, yeah
A cosmic castaway
