"In Here We Fall"

I wanna get to heaven but bombed out in hell
I'm strung out, so high today
I've got nothing to do but get stoned

Oh, in here we fall
Oh, in here we fall

Instinct gives me pleasure, I don't like the pain
I'm in a mess but I'm impressed
I've got nothing to do but get stoned

Oh, in here we fall
Oh, in here we fall

I've got nothing to do, I've got nothing to do
I've got nothing to do, I've got nothing to do
I've got nothing to do, I've got nothing to do
I've got nothing to do, I've got nothing to do

Nothing to do but get stoned
Nothing to do but get stoned
Nothing to do but get stoned
Nothing to do but get stoned

Oh, get stoned
Oh, get stoned
Oh, get stoned
Oh, get stoned
