Iâ€™ve no sorrow
If Iâ€™m glad, oh! let me show it

Did you see those birds take flight?
She opened her hand and they flew across the room

How the morning skies are high
I watch them as they turn from black to blue
I was dreaming of boats last night

Boats in the desert and anchors and bridges and
youâ€¦

Oh, letâ€™s get in the water
Oh, letâ€™s get in the water
They said â€œno, donâ€™t go near the waterâ€
You said â€œoh, letâ€™s get in the waterâ€
You said â€œoh oh ohâ€¦â€
