"Had To Cry Today"

Visit "[Had To Cry Today](#)" on MotoLyrics.com

It's already written that today will be one to remember
The feeling's the same as being outside of the law

Had to cry today
Well I saw your sign and I missed you there

I'm taking the chance to see the wind in your eyes while
I listen
You say you can't reach me but you want everyone to
be free

Had to cry today
Well I saw your sign and I missed you there

It's already written that today will be one to remember
The feeling's the same as being outside of the law

Had to cry today
Well I saw your sign and I missed you there

I'm taking the chance to see the wind in your eyes while
I listen
You say you can't reach me but you want everyone to
be free

Had to cry today
Well I saw your sign and I missed you there
