Are you ready for my sucky sucky?
Are you ready to be set free?
Are you ready to siphon gasoline?
Are you ready for the number three?

Are you ready for big, big savings?
Are you ready for the master's hand?
Are you ready for my bloody bloody?
Are you ready to?
Say are you ready to...

Bite me!
Delight me!
I paid handsomely for you to excite me
Your body is something I might not survive
So bite me!
Bite me!

Are you ready for the devil's daughter?
Are you ready for the Solent Green?
Are you ready for unholy water?
Are you ready for my f***ing machine?

Are you ready for American strike force?
Are you ready for the mystery meat?
Are you ready for my crazy crazy?
Are you ready to?
Say are you ready to...

Bite me!
Delight me!
I paid handsomely for you to excite me
Your body is something I might not survive
So bite me!
Bite me!

Go!

People heading for a dirty future
People lining up for party ball
People sucking on their computer
They have accountants pay for it all

We were so in love
And we were so in love
And we were so in love
And we were so in love
We were so in love
We were so in love
We were so in love
And we were ready to...

Bite me!
Delight me!
I paid handsomely for you to excite me
Your body is something I might not survive
So bite me!
Bite me!

Come on and...
Bite me!
Delight me!
I paid handsomely for you to excite me
Your body is something I might not survive
So bite me!
