Sharpen up your number two pencils 'cos the test is
beginning

You're entering a game of losers and there is no
winning

'Cos people getting nervous

People freak out

People lose control

And if you don't like it you can blow it out your
blowhole!

And the girls are losing their minds

And the boys ain't far behind

And the girls are losing their minds

And I hear...

Checking the appropriate box for boy or girl

Wonder if winning will ever stop and who invented this
world

Now you see the unavoidable is hard to avoid

Wake up in your own drool to find now your future is
destroyed

And the girls are losing their minds

And the boys ain't far behind

And the girls are losing their minds

And everybody's losing their mind...

Hey!

Oi!

Checking the appropriate box for boy or girl

Wonder if winning will ever stop and who invented this
world

Stare into the mummy's eye

Your future's just around the corner

Hi! Welcome to 'Big Burger' can I take your order?

Checking the appropriate box for boy or girl
Wonder if winning will ever stop and who invented this
world

Hi! Welcome to 'Big Burger' can I take your order?
Hi! Welcome to 'Big Burger' can I take your order?
Hi! Welcome to 'Big Burger' can I take your order?
Hi! Welcome to 'Big Burger' can I take your order?

[Spoken by man]
Yeah... erm... give me two big burgers... er... two spasm
shakes, one big brown eye...
