It must have been a dance commander
Giving out the order for fun
It must have been a dance commander
You know that he's the only one
Who gives the orders here?
Alright
Who gives the orders here?
Alright

It would be awesome
If we could dance
It would be awesome, yeah
Let's take the chance
It would be awesome, yeah
Let's start the show
Because you never know
You never know
You never know
Until you go

Alright
Alright
Who gives the orders here?
Who gives the orders here?

The lights are strong
The orders are in
The dance commanders are ready to sin
Radio message from HQ:
Dance commander, we love you

Let's get this party started right y'all
Let's get this party started right
I went to the store to get more...fire!
To start the war
Everybody in the store was whack
I feel like heading straight for a heart attack

Girls are pretty
Girls are nice
Take your chances
Roll the dice

Take your chances

It would be awesome
If we could dance
It would be awesome, yeah
Let's take the chance
It would be awesome, yeah
Let's start the show
Because you never know
You never know
You never know
Until you go

I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever
I wanna make it last forever

Ooh, baby

Alright

Alright

You must have been a dance commander

You must have been a dance commander

You must have been a dance commander

You must have been a dance commander

Come on

Come on, Come on, Come on, Come on

Come on
