Your body goes to waste every minute you don't give it
to me
I'm dying for your sins on the dance floor, can't you
see?

You know it's still on my mind
Still on my mind
Still on my mind

It's still on my mind
Still on my mind
Still on my mind

I want it so bad but I'm never gonna get it
This club's on fire it's a dance epidemic

Baby! Looks like a dance epidemic to me
I'm seeing things I thought I'd never see
Dance epidemic tonight!

Starting here tonight
Heh!

You got your nice apartment on West L.A.
Wiltshire and Bundy
Is that where you get your kicks now honey?
Is that where you spend your money?

You know it's still on my mind
Still on my mind
Still on my mind

It's still on my mind
Still on my mind
Still on my mind

I want it so bad
But I'm never gonna get it
This club's on fire it's a dance epidemic

Baby! Looks like a dance epidemic to me
I'm seeing things I thought I'd never see

Dance epidemic tonight!

Starting here tonight
Heh!

It's getting harder to breathe
Your sexy lines cutting into me

I want it so bad
But I'm never gonna get it
This club's on fire it's a dance epidemic

It's a dance epidemic baby!
Looks like a dance epidemic to me
[So emotional to me]
I'm seeing things I thought I'd never, never see.
Dance epidemic tonight!
Starting here tonight!
Heh!
