Reversed:

[Sure as the sun gonna rise tonight
You owe me money!]

Devil nights
Devil nights
Nights with the devil
Driving around the city

Everything is wrong
But you know it feels right
Spending all your money
On the electric light

Handing over your last dollar
Just to make the devil scene
Drinking all the drinks
Inside the devil limousine

Devil nights
Devil nights
Nights with the devil
Driving around the city

Nights with the devil
Driving around the city

Sure as the sun gonna rise tonight
You owe me money!

Sure as the White House is totally white
You owe me money!

Rolling up into the club
Just to drop the devil mixes
Branding all the young girls
Huh! With triple sixes

Dance! Dance! Dance! Dance!
Dance! Dance! Dance! Dance!

Nights with the devil

Driving around the city

Nights with the devil
Driving around the city

Sure as the sun gonna rise tonight
You owe me money!

Sure as the White House is totally white
You owe me money!

Devil nights
Devil nights
Devil nights
Devil nights

[Robotic]
Sure as the White House is totally white
You owe me money!
