I am detroit you are new york
I think it's time that we talked baby
This is Detroit calling new york
I think it's time that we talked baby
It takes two to tango
We're partners in crime on the dancefloor
Go america

I am Detroit you are L.A.
We drew a line in the sand
This is Detroit calling L.A.
I've got a gun in my hand
It takes two to tango
We're partners in crime on the dancefloor
Go america

I am detroit you are Mars
I am detroit you are Mars
You've got red sand I've got cars
I am detroit you are Mars
I send my singing to outer space
Calling mars, calling mars
I am america
