And I don't mind your rabid doggy
And I don't mind it when it bites
Cos the days and nights and the nights are longer
We're watching days turn into nights

Yeah!
I buy the drugs
I light the fire
I am your main supplier
I am your man and I buy the drugs

I can be the jump start for the car parked in your mind
Cos' You left the lights on all night long
We can drive for miles and miles and miles
and miles and miles and miles and miles away

Have you ever smelt the clothes her sexy clothes?
Have you ever got to know her
Like I do?
Have you ever reversed roles?
Gave up control?
Stayed home and let your woman
Support you?
Yeah!

Yeah!
I buy the drugs
I light the fire
I am your main supplier
I am your man and I buy the drugs

I can be the jump start for the car parked in your mind
Cos' You left the lights on all night long
We can drive for miles and miles and miles
and miles and miles and miles and miles away

If you ever find yourself in need
You can submit your request in writing
And this is what you do

Send in a self addressed stamped envelope

To PO Box 900
Los Angeles
California
90212

And I will fill your perscription with some degree of
accuracy

And then I'll send it back to you

And then I'll send it back to you

And then I'll send it back to you

Yeah!

I - I - I buy the drugs

I - I - I buy the drugs

I - I - I buy the drugs

I - I - I buy the drugs
