[Spoken]

I woke up on the floor again
And I needed something to eat
So I went down the street to Monty's Grill.

"What'll it be?" said Monty, sporting a wry grin.

"Just give me the usual, Monty" I said.

Monty just scratched his head and said:

"What is that again?"

"Well the usual was a Utah burger with cheese fries
and a coke."

Monty knew that.
I had been coming there every day for the last four
years.
Then I began to realise the man behind the counter was
the impostor!
