She was the queen of an evil galaxy  
Living off the money she suckered from me  
She wasn't satisfied living by the airport in Queens  
Can you tell me now what any of it means?

Now listen  
I see no point in trying to get you to listen  
Your hypnotised by the camera you're kissing  
My dogs are barking, man  
All your cats are hissing tonight  
Nothing gets settled when our animals fight  
You look good in pictures but I think that the attention's  
going to your brain  
Hey little sister why do I only see you on the white train?

Riding on the white train  
Riding on the white train  
Riding on the white train  
Riding on the white train  
Solo!

Solo!  
Solo!  
Solo!

Now you got yourself into a sticky situation  
But I don't make moves unless there's some  
reciprocation  
I gotta know now should I be anticipating love  
Or will you slap me with your bitches' gloves?  
Ow!

Satan destroys you  
But Jesus puts you in a bowl and smokes you  
Hey little sister!  
Your dreams are dying living on the white avenue

Living on the white avenue  
Living on the white avenue  
Living on the white avenue  
Living on the white avenue

Ooh white avenue
