This is an evil generation  
I see with my eyes  
I see them walking around in their suits  
And honey I seen the ties  
Evil girls biting good girls  
Turning good girls into evil girls  
Evil boys eating evil hamburgers  
Evil boys eating evil fries

This is an evil generation  
Rock and roll evacuation  
As far as the eye can see  
[Heh, Heh, Heh, Heh]  
Tune in to this radio station  
Rock and roll evacuation  
In event of emergency

We are just hungry little creatures  
Feed upon lies  
I see them lining us up on the wall  
And drilling us pies  
See the man on the television telling me to listen to the  
radio  
Hear the man on the radio telling me no, no, no, no, no,  
no, no, no, no

This is a bad, bad situation  
Rock and roll evacuation  
It's not looking too good to me  
[Heh, Heh, Heh, Heh]  
Evil spreads across the nation  
Rock and roll evacuation  
Apocalyptic insurgency

You can kill the body and child  
But the head is still gonna to live  
You can give all your money now  
Til there's nothing left to give  
You can play your electric guitar  
But it ain't gonna change the world  
You can get all emotional on me  
Cry like a little girl.

Cry!

We are disposable creations  
They're throwing us away  
Ignoring everything that we do  
And everything that we say  
Mr President  
Make a little money  
Sending people you don't know to Iraq  
Mr President  
I don't like you  
You don't know how to rock!

This is an evil generation  
Rock and roll evacuation  
As far as the eye can see  
[Heh, Heh, Heh, Heh]  
Tune in to this radio station  
Rock and roll evacuation  
In event of emergency
