I was born a prisoner in your dungeon of flesh
Ooh yeah
(Yeah! Yeah! Yeah!)

Solitary confinement underneath your dress
Ooh yeah
(Yeah! Yeah! Yeah!)

But I broke those cycles
I bent those bars
I got out of there and drove away in my car

I've got a new girl now
She don't understand me
But she's getting hot now

And she's white (White!)
She's so white
She's white like the light
Never like the night

She's white (White!)
She's so white
I was born to excite her
She could never be whiter
Tonight

I was born a hunter in your jungle of sin
Ooh yeah
(Yeah! Yeah! Yeah!)

Now if love was a sport
But she'd let me win
Ooh yeah
(Yeah! Yeah! Yeah!)

And I shot those arrows
I bent those bars
You returned my buy and shot me, in the heart

I've got a new girl now
She don't understand me

But she's getting hot now

And she's white (White!)
She's so white
She's white like the light
Never like the night

She's white (White!)
She's so white
I was born to excite her
She could never be whiter
Tonight
Tonight

Go!

I was born a dancer in your disco of fire
Ooh yeah
(Yeah, Yeah, Yeah)

And your love for the rhythm
Is raising me higher
Ooh yeah
(Yeah! Yeah! Yeah!)

But I scratched that record
I stopped that show
I got on the mike and then I let you know

I got a new girl
She's 6 feet tall
I got her number on the wall

And she's white (White!)
She's so white
She's white like the light
Never like the night

She's white (White!)
She's so white
I was born to excite her
She could never be whiter
Tonight
Tonight
