I saw fire;
When I looked in my lovers eyes
Woah
I saw;
The devil dressed up in disguise
Woah

And you know it gets hotter than a microwave oven
When you and I commence the lovin
And you like what I'm doin
And I like what I'm doin to you
And everybody's happy (happy) tonight

I'm a man
And I'm torn between vengeance and fashion
Woah
And I'm tryin so hard not to get caught up in the
passion
Woah

And you know that my suit costs more than your house
I'm a scoundral, a lover, a murderous louse
And I look good in your bed
And you think that I'm lookin good
And everybody's happy (happy) tonight

She's a girl;
And she's got some really crazy ideas now
Woah
She wants to push the button;
And execute this innocent man
Woah

And you know she's depressed in her wedding dress
She's gonna have her rings removed
And I like the way she's lookin
Yeh she's lookin like a hundred dollars
And everybody's happy (happy) tonight
