Don't tell me I don't know myself.
What to do? I really don't know anything.
Leave me now, Please leave me just now.
Let me think, I wanna think myself.

*Don't tell me what is right.
Don't tell me what is wrong.
Don't try to say yes or no.
I don't believe it now.

Oh no, I don't need your help.
I'm a freedman, It's for me to decide.
Gotta get away, I gotta get away now.

Let me alone, I wanna make myself.
