You're horrid you're ghastly and I love you true,
So here are some presents I'm sending to you...
I'll send a small box of small pox,
A large tub of hub bub,
Your own noose for home use,
A crate full of hateful,
'Cause you're the coolest little monster that ever put
The spook on me...

I'll send a lipstick of arsenic,
One urn of sunburn,
Six cups of hiccups,
A bin full of sinful,
'Cause you're the coolest little monster that ever put
The spook on me,

Monster o'mine you haunt me all the time, I'll be true,
I'm so in love with you looby dooby dooby dooby...

Eight pails of hangnails,
Some pass cards for graveyards,
A werewolf that's your wolf,

Some batwings for earrings,
Cause you're the coolest little monster that ever put
The spook on me,

My dear you're ravishing! wherever did you dig up that
Dress? hahahaha

Monster o'mine you haunt me all the time, I'll be true,
I'm so in love with you looby dooby dooby dooby...

Green hair for nightwear,
Some laprobes of earlobes,
A hat pin of bat skin,
And three scraps of kneecaps
'Cause you're the coolest little monster that ever put
The spook on me...

My dear since I first laid my eyes on you, I can't get

Them back in the sockets... hahahahahaha
'Cuz you're the coolest little monster that ever put
The spook on me
