MotoLyrics

Sweet Sung Song of the traffic flow Round my head I need to know Please be mine forever

I know myself at the fading light Can bathe me, hold me safe to the night I'll Awake and change forever

Peace in the world A love in the sky Is taking me over And I know it's here I know it's right

Over now It's taking me Over now It's taking me

Over now And I'm eternally yours

I know myself at the fading light Can bathe me, hold me safe to the night I'll Awake and change forever

Peace in the world And love in the sky Is taking me over And I know it's here I know it's right

Over now It's taking me Over now It's taking me Over now And I'm eternally yours

Coke and Cane and Autumn rain..
