This is the zodiac speaking
This is the voice of doom
This is the zodiac speaking
And I'm coming for you

Say Hell-O... Scorpio
Say goodbye... Gemini
This is the zodiac speaking
Now it's time to die

If I was born a Capricorn
I would leave the Libras alone
But my rising sign says they must be mine
So I just can't let em go

This is the zodiac speaking
This is the voice of death
Mine is the last voice you will hear
As you draw your final breath

Hell-o Leo... pleased to meet you
I see you're just like me
This is the zodiac speaking
I'll be back... just wait and see

Your horoscope is written in blood
This is your lucky day

Today is a 7 and I'm falling from heaven
... To blow your ass away

Every soul I sacrifice
Becomes my slave in paradise
You can run but you won't get far
It's written in the stars

This is the zodiac speaking
This is the voice doom
This is the zodiac speaking
And I'm coming for you

Say Hell-O... Scorpio

Say goodbye... Gemini
This is the zodiac speaking
Now It's time to die

By fire, by knife, by rope, by gun
Whatever gets it done
If I were an Aries I wouldn't be scary
And this game wouldn't be so fun

This is the zodiac speaking
This is the voice of doom
This is the zodiac speaking
I'll see you soon...
