Everybody, all around the world  
Gotta tell you what I just heard  
There's gonna be a party  
All over the world

I got a message on the radio  
But where it came from  
I don't really know  
And I heard these voices calling  
All over the world

(CHORUS)  
All over the world  
Everybody got the word  
Everybody, everywhere  
Is gonna feel it tonight

Everybody walking down the street  
Everybody moving to the beat  
They're gonna get hot down in the U.S.A  
(New York, Detroit, L.A.)

We're gonna take a trip across the sea  
Everybody, come along with me  
We're gonna hit the night  
Down in gay Pareee

(CHORUS)

London, Hamburg, Paris, Rome  
Rio, Hong Kong, Tokyo  
L.A., New York, Amsterdam  
Monte Carlo, Shard End and

(CHORUS)

Everybody, all around the world  
Gotta tell you what I just heard  
Everybody walking down the street  
I know a place where we all can meet  
Everybody gonna have a good time  
Everybody will shine til the daylight

(CHORUS)

All over the world  
Everybody got the word  
All over the world  
Everybody got the word  
All over the world  
Everybody got the word
