

Electric Light Orchestra "Baby I Apologise"

Visit "[Baby I Apologise](#)" on MotoLyrics.com

Love my baby in the afternoon
But she's crying, she's crying
Told my baby in the afternoon
But she don't like it, she don't like it
Baby used to love me so

Baby I apologize
For telling them dirty lies
I had my fun but now it's done
Baby I apologize

Love you in the morning, in the evening too
But she won't do what I want to
Kicked me out of my own front room
For my lyin', my dirty lyin'

Baby I apologize
For telling them dirty lies
I had my fun but now it's done
Baby I apologize

You know my darling
I was a broken man
All my dreams had fell apart

And then a voice from above
Told me the truth of the world we live
And my darling, I'd just like to say one more time
Please come back

Baby I apologize
For telling them dirty lies
I had my fun but now it's done
Baby I apologize

Love you in the morning, in the evening too
But she won't do what I want to
Kicked me out of my own front room
For my lyin', my dirty lyin'
Baby used to love me so

Baby I apologize

For telling them dirty lies
I had my fun but now it's done
Baby I apologize

Baby I apologize
For telling them dirty lies
I had my fun but now it's done
Baby I apologize
