The next train arrives on here at five o nine  
I'm standing where my daddy used to be  
To follow his footsteps takes me three stops down the  
line  
Down to the ben crawley steel company

Well I tried my hand at ranching but this didn't come  
off  
Seems nothing in that for me  
It always tried my patience which I haven't enough  
I'm destined to work in a steel company

Just you wait at home for me little woman  
By now I should know how lovely you will be  
Waiting by the door for me little woman  
Now I wont moan when I get home from the ben  
crawley steel company

When crawley makes the jokes and four guys laugh a  
lot  
Damn, force a grin if you can  
I got so many words on the tip of my tongue to shoot  
him down  
But he'd soon replace a mere steel driving man  
Just you wait at home for me little woman  
Although I know you won't be as tired as me  
Waiting by the door for me little woman [my true lovin'  
woman]  
Well I won't slack when I get back from the ben crawley  
steel company

Well I've had my fill and it's giving me hell, now it's  
time for hate  
Thanks mister for telling me  
So I'll shoot if I can and I won't [don't] give a damn  
about playing it  
Straight  
My friends and the lord know what he's done [he did]  
to me

He's being staying at home with my little woman  
Playing in the fields where I should always be

It's hard to forgive my own little woman  
And to find a job 'cos I just blew up that steel company  
Heh!
