Working on the road across this great big world  
I've been rolling like a stone, I never get back home  
Yes, I've been long-gone  
And boy, I've got the Birmingham Blues

I been across the ocean to the south sea isles  
Yeah, I traveled to the east and west for miles and  
miles and miles  
And I've been long-gone  
Boy, I've got the Birmingham Blues

Across the world I've seen  
People and places  
Could be the same  
But with a different name

I wouldn't change the things I do for anything  
But I'd just like to hear the message of the streets  
again  
Give me a ticket  
'Cause boy, I've got the Birmingham Blues

It may be kind of homely but it sure is sweet  
Industrial revolution put it on its feet  
But it's a long, long way  
Boy, I've got the Birmingham Blues

Across the world I've seen  
People and places  
Could be the same  
But with a different name

I'll go and stay awhile and all the folks I meet  
They'll say, "You won't stay long, you got them  
traveling feet  
You'll soon be long-gone  
'Cause boy, you got the rest of the world blues!"

Across the world I've seen  
People and places  
Don't you know it could be the same  
But with a different name

Across the world I've seen  
People and places  
Could be the same  
But with a different name
